

WELCOME KIT GUIDE

HELLO!

You are AMAZING! Thank you for aiding the International Rescue Committee in Missoula and Soft Landing Missoula in helping families begin their new lives here under the Big Sky. You have chosen to be a part of making a family feel welcomed upon arriving to their long awaited new home.

In many cases, refugee families have escaped their home country with little but their lives and memories. They come to Missoula ready to start anew, to raise their families in a safe and welcoming place embraced by mountains and a river running through. Muteba and Naza, from the Democratic Republic of Congo, arrived to the Missoula Airport late at night with 2 young children in tow. Exhausted from days of traveling, they were overwhelmed with thoughts of, "How will we make this strange place our home?" When they opened the door to their new apartment, many of these concerns were lifted away when they saw that people in this new place cared enough about strangers to not only assist with their most basic needs, but make sure the space felt warm and welcoming. The children ran past giggling to explore their new room with their very own beds- re-energized after the long journey home.

The International Rescue Committee in Missoula and Soft Landing Missoula can't do this without you. Community support, often in the form of in kind donations, is essential to help turn a new house into a home and assist in making Montana a welcoming place for refugees to safely land. Welcome kits are one of the easiest, and most direct ways of positively impacting the lives of refugees in Missoula. Thank you for your help, from the bottom of our hearts.

In Love and Gratitude,

The IRC Missoula and SLM team

IRC IS...

The International Rescue Committee (IRC) in Missoula serves as a gateway for new Americans who have survived against incredible odds. We meet the needs of refugees, asylees, victims of human trafficking and survivors of torture so they can thrive in America. Through a network of staff members and trained volunteers, IRC Missoula empowers our new neighbors to secure jobs, find homes, master English, and learn about life and customs in America. Our work also helps to build support systems, encourage self-sufficiency and facilitate integration into the Missoula community. IRC Missoula provides the services and training that refugees need in order to restart their lives and overcome cultural barriers, making their adjustment as easy as possible.

IRC Missoula is the only resettlement agency in Montana. Our history in Missoula began in the 1970s resettling Hmong refugees escaping persecution after the Vietnam War. As this population began to thrive, IRC Missoula closed its doors. Thanks to a call to action by Missoulians concerned by the global refugee crisis (who eventually became Soft Landing Missoula), IRC Missoula re-opened its office in August of 2016. Since this time, the IRC in Missoula has resettled over 235 refugees from Iraq, Syria, Eritrea, Ethiopia and the Democratic Republic of the Congo combined.

TOGETHER WE...

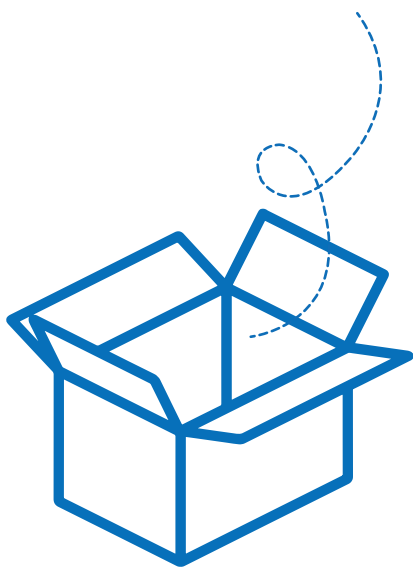

“It takes a village”—trite but true. Along with countless other partners, IRC Missoula and SLM participate in a robust network of organizations, businesses, and individuals that make resettlement a success in Missoula. There are many examples of partnership, but this tool kit is the only one that relies on and is open to ANY participant—city, state, or nationwide! As mentioned above, Missoula continues to be the sole resettlement site in Montana, although we have seen support and conversations from around the state focused on the same questions this effort was born from in the beginning: “How can we do more to help refugees, right here at home? If not us, who? If not now, when?” We hope this tool kit can be a fun and fulfilling way to start to answer those questions for you, your friends, and your family.

SLM IS...

In September of 2015, the shock and sadness of seeing photos of a young refugee boy lying lifeless on a beach, brought a group of concerned Missoulians together to responsibly consider what it would look like to welcome refugees to our city and be at least a small part of alleviating suffering for refugee families in turmoil. When discovering that Montana and Wyoming were the only two states in the nation without refugee resettlement programs, we began to work tirelessly on a grassroots effort to help open a resettlement office in Missoula.

In March of 2016, in response to Soft Landing’s call to action, the International Rescue Committee (IRC) was given permission by the State Department to reopen their office in Missoula after being closed for decades. Shortly after, Soft Landing Missoula formally opened as a non-profit community resource center and began working with the IRC and other partners to help Missoula become a welcoming, supportive, and informed community that can assist refugees to integrate and thrive. We focus on supporting partners, providing select direct services, and encouraging community engagement through volunteerism, in-kind donations, educational opportunities, and cultural events.

WHAT IS A WELCOME KIT?

BEYOND GIVING A WARM WELCOME TO A FAMILY, WHY ARE THEY ESSENTIAL?

Welcome Kits are containers that hold household items necessary for refugees arriving to Missoula. These kits include items such as silverware, dishes, bedding and shower curtain—all of the things that a family needs in order to move into and set up a new home! Kits are organized by category, such as “kitchen kit,” “bathroom kit,” and “cleaning kit.” These kits are essential for newly-arrived refugee families, in order for IRC Missoula staff and volunteers to create a welcoming and functional home for families they are resettling in Missoula.

Upon entry to the United States, each refugee receives a small, one-time grant to help cover their first 60-90 days in their new home. The IRC in Missoula is tasked with spending this small amount of money on refugees’ behalf, and the majority is spent on first month’s rent and deposit, initial food, and home furnishings. This money does not go very far, especially for small families. Having generous community members like yourselves collect and donate household items helps stretch this money further, leaving additional funds for other important necessities or even another month’s rent!

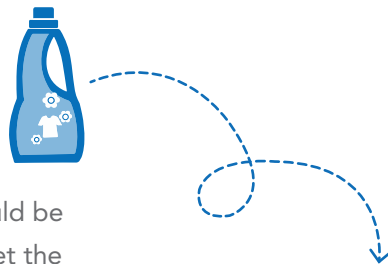

IRC MISSOULA AND SOFT LANDING HAVE CREATED A LIST OF WELCOME KITS THAT YOU AND YOUR GROUP CAN PUT TOGETHER FOR INCOMING FAMILIES.

Please note that the IRC in Missoula is required to provide certain, specific items to refugee families upon their arrival to the United States, per the IRC’s contract with the U.S. Department of State. These kits are our first priority, as they ensure that IRC Missoula is in compliance with this contract and refugees get the important, essential items that they need.

In addition to the IRC Missoula Welcome Kits, Soft Landing collects kits and items to round out the basic list and also serve families who have been in Missoula for a while but can still benefit from a little in-kind donation love. Included in the SLM kits and items you will also find some fun, culturally important items that help families feel even more at home!

We ask that items be new or VERY gently used in order to affirm and promote the inherent worth and dignity of every person. We care deeply to create a truly welcoming and complete home for families, not burden them with broken or heavily-used items that may prove unusable. (No stains, tears, frayed edges, pet hair/odor, chipped dishes, dead batteries, missing pieces, used/old toiletries, tooth-brushes, etc.)

HOW TO ORGANIZE YOUR WELCOME KITS

- Please place all kit items into a clear plastic container with a lid. (For select kits with larger items such as a trash can, you can use that as the container, but please still ensure that a label is attached.)
- Print the corresponding label for your chosen Welcome Kit onto plain white paper. (See included templates at the end of this document.)
- Write down the quantity of each item on the label and include any notes, if necessary.
- Secure kit labels to the container with clear packing tape.

HOW TO RUN A SUCCESSFUL DRIVE

CREATIVE IDEAS

Running a donation drive is a fun and useful way to help out our new neighbors. Here are some tips and tricks to having a successful drive.

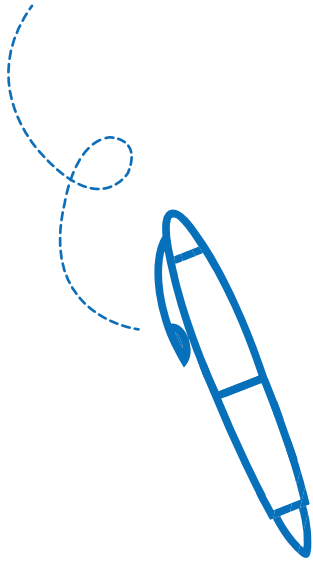

SOCIAL GRAPHICS

- 1) **SET GOALS BEFORE YOU BEGIN.** Determine how many Welcome Kits you want to assemble and use the tips below to help make that happen.
- 2) **PROVIDE WAYS FOR PEOPLE TO PARTICIPATE ONLINE.** You can offer a “Sponsor a Welcome Kit” option online that would cover the cost of purchasing all of the items and have people participate from across the country (or world!). Create a fundraiser on social media and invite your friends and family to join you in stuffing Welcome Kits.
- 3) **USE GRAPHICS.** We have created graphics (examples below, left) that are great for posting on social media and using on flyers.
- 4) **USE SOCIAL MEDIA TO RAISE AWARENESS AND SUPPORT FOR YOUR DRIVE.** Make a Facebook event and have all participants invite their networks. Share details about your Welcome Kit drive leading up to the event on all of your social media channels. You can go “live” during the event on Facebook or Instagram, post updates on your social accounts, or keep your followers up-to-date through Instagram or Facebook stories.
- 5) **POST FLYERS AND EVENT DETAILS AROUND YOUR COMMUNITY.** The more people who see the event, the more will show up!
- 6) **MAKE YOUR DRIVE AS IMPACTFUL AS POSSIBLE.** Is a matching gift available? Can you partner with a local organization to make a financial or physical donation for every kit you make? For example, for every donation kit completed, a grocery store could donate a bar of soap or \$5.00. Get creative!
- 7) **IF TIME PERMITS,** begin the process 6-8 weeks ahead of time, especially if you want to partner with other organizations.
- 8) **SPEAKING OF PARTNERS,** see if a grocery store or local retail store such as Target will let you post up out front with a list of needed small items to hand to shoppers as they go in. Watch your bins fill as people walk out!

MAKE YOUR PLAN
