

At Home Together Task 3 - Clubs at School

Read the information card with your child.
Finish the task and give it to your teacher.

What is a Club?

A club is an extra activity we choose to do and it is not in lesson time.

It can be led by staff from school or a specialist.

There are sports clubs, where we can have fun, learn new skills and even play matches.

There are other clubs for arts & crafts, music, singing, dance, Lego, computers, gardening, language classes and many other kinds.

Some clubs can take place during lunchtime.

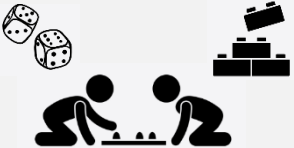

We then have to eat quickly so we have enough time to do the club activities before the bell goes again for our afternoon lessons to begin.

Some clubs are held after school.

Parents must know when to collect us from school.

If we go home on our own, we should let them know what time to expect us back.

Here are some clubs at school.
