

RAISE EU

Awareness and information project on the rights of recognised refugees and the promotion of EU values

Information Activities

14 Informative sessions of legal content in Athens, Ioannina, Thessaloniki

63 Participants, beneficiaries of international protection, were informed about:

- the right to family reunification.
- access to socio-economic rights.
- the right to obtain a long-term residence permit and the Greek citizenship.
- the grounds of their rights in European and national legal texts.
- the values of the European Union.

Findings from the feedback survey

Challenges identified by the beneficiaries of international protection as the most significant after obtaining legal status:

Areas of rights for which the beneficiaries wish to receive further information:

Advocacy activities

6 meetings with local authorities and service providers in Athens, Ioannina and Thessaloniki for:

- Highlighting the challenges in relation to the access to social benefits.
- Formulating cooperation channels.

Upcoming activities:

- **Roundtable** with representatives of policy-making/implementing bodies and the civil society sector for identifying integration issues and coordinating actions to address them.
- **Online conference** with representatives of the Council of Europe and the civil society sector of other member states to exchange good practices on access to social rights such as housing.

The RAISE EU project is implemented in the framework of the BUILD Programme, by IRC Hellas and A.S.P.I.D.A. BUILD is cofunded by the European Union, through the Citizens, Equality, Rights and Values (CERV) programme, the Bodossaki Foundation and the NGO Support Centre.

Funded by the European Union. Views and opinions expressed are, however, those of the author(s) only and do not necessarily reflect those of the European Union, the European Education and Culture Executive Agency (EACEA), or the Bodossaki Foundation. Neither the European Union nor the EACEA can be held responsible for them.
